 Yes No Did your pet take any medications this morning? If so, what? _____

Procedure(s) To Be Performed _____
 Preferred Contact Number _____

The following diagnostic tests and procedures are included in all general anesthetic packages:

- Complete Blood Count
- Blood Chemistry
- Electrolytes
- Digital Thoracic Radiographs (Dental radiographs are NOT included and will incur additional cost of \$130, if necessary.)
- Intravenous Fluids

Dental Extractions are NOT included in the dental prophylaxis package. The cost of extractions is variable depending on the type of tooth and the severity of periodontitis. Dental extractions range from \$13.50 to \$78.75 per tooth, and may incur additional anesthesia time at \$30.00 per every 15 minutes of additional anesthesia. Dental extractions are required to be performed if medically necessary.

_____Initials

A current negative heartworm test and ongoing heartworm prevention is required for the safety of all DOGS undergoing anesthesia. If your pet does not have a current heartworm test and/or is not current on heartworm prevention, we will perform a heartworm test and you will be financially responsible for the cost of such test. The cost is \$29.18.

_____Initials

A negative FELV/FIV test and up to date FELV vaccine is required for the safety of all CATS undergoing anesthesia. If your pet does is not vaccinated against FELV, we will perform a FELV/FIV test prior to anesthesia and you will be financially responsible for the cost of such test. The cost is \$34.00.

_____Initials

I certify that my pet is free of fleas, ticks, and tapeworms. If any of these parasites are found on my pet, I authorize Hickory Veterinary Hospital to treat my pet at my expense.

_____Initials

Patient:

Client:

I understand there are risks associated with any anesthetic procedure, up to and including cardiac arrest, respiratory arrest, or death. I understand that during the performance of the scheduled procedure(s), unforeseen conditions may be revealed that necessitate an extension of the foregoing procedure(s), or even different procedure(s) than those set forth previously. I have been advised of the nature of the scheduled procedure(s), as well as the risks involved, and also realize that results cannot be guaranteed.

I understand that an attempt will be made to contact me in the event of an emergency. If I cannot be reached immediately, I authorize the performance of such life-saving procedures deemed necessary by my pet's veterinarian. Such procedures include but are not limited to resuscitation and life saving medication administration. I understand that I will be financially responsible for the cost of any life-saving measures performed for my pet.
